

It's Conference Time!

On behalf of Provider Practice Essentials, welcome to your conference!

Your location for our Dallas program is here:

Aloft Dallas Downtown Hotel - Plush Pad (Bottom Floor)

1033 Young Street
Dallas, Texas 75202

Contact: Events Manager

If you booked a hotel room through our website, please know that we forwarded your reservation request to the hotel at the time you booked your hotel room. If you have questions about your reservation, please contact the hotel Events Manager directly - the front desk staff does not know about our group reservations. If you booked the hotel on your own, you will be responsible for your own reservation confirmations.

Event Times

Your conference begins promptly at 8am on Friday and Saturday. If you booked a 1 or 3 day conference, your conference will begin at 8am on Thursday as well. Please arrive NO LATER THAN 7:45 to pick up your course materials and check in. You will not need to bring anything to the program. The program will end by 5pm each day.

Parking

If you are driving, you can park in the hotel parking spaces if they are available. Otherwise, you may ask the front desk for a parking pass to park in the adjacent lot.

Meals

We will have Coffee, Tea, Water, and Soda available all day. Lunch will be served.

Dress

We suggest you dress comfortably, and anticipate Dallas weather. This can be found [HERE](#)

Wifi

Hotel Wifi may be spotty and slow in some locations. If you have a Marriott Bonvoy membership, we recommend using their connection. You will not need your computer for this program.

Airports

If you are flying in, Love Field or Dallas-Fort Worth airports are about 15-20 minutes away from the Hotel.

We suggest arriving as early as possible before the conference (or even booking the night before and after) to really get the feel for this beautiful city. You can check in the hotel early and have them check your bags while you wait for your room seeing the city. Enjoy the town!

If you need to reference this form online, you can **visit the page for your event** [HERE](#).

Things To Do Before the Conference

1) **CONFIRM YOUR ACCESS TO THE TOOLKIT**

You were previously sent an email that includes your username and password. To log in, click “Log in” on the home page. This should bring you to our toolkit. Please familiarize yourself with the toolkit. You will need to be able to log in to complete your CME.

[CLICK HERE TO ACTIVATE YOUR TOOLKIT](#)

If you are unable to log in to the website, please notify us by clicking [HERE](#), and selecting “I am having difficulty with the clinical toolkit”

Annual Subscription Renewal

A 1-year subscription to our Clinical Toolkit and membership to our community is included in your program registration. It will renew annually for \$49.99 on the date you registered for our program.

- You may change your renewal settings in the admin part of your toolkit.
- Keep checking your toolkit! We are regularly adding new condensed clinical content, videos, and reference materials to enhance your practice!
- Unique to our reference section, you can take your own notes and store them on your dashboard, creating a customized practice reference for your clinical practice!

If you do not wish to keep your membership, you can opt out of the toolkit at any time. Simply log in and cancel BOTH your membership AND Subscription. Please note that doing so may prevent you from logging in to claim your CME certificate. For this reason, we suggest waiting until after the program has completed to cancel your subscription.

Explore the Toolkit!

The Toolkit is a high-yield, easy to reference collection of articles, topics, guidelines, and videos designed to grow with your career. Get to know where things are, and see what other CME opportunities are available for you. We add content regularly so keep using it!

Know What You Have!

In case you haven’t realized it yet, you have signed up for MUCH MORE than a 2-day conference! You have FREE online access to the Toolkit for 1 full year. This includes all of the videos for your program, the *optional* certification exam, and more. Ask your instructors to tell you more!
