If you are unable to log in to the website, please notify us by clicking [HERE](#), and selecting “I am having difficulty with the clinical toolkit”

Annual Subscription Renewal

A 1-year subscription to our Clinical Toolkit and membership to our community is included in your program registration. It will renew annually for \$49.99 on the date you registered for our program.

- You may change your renewal settings in the admin part of your toolkit.
- Keep checking your toolkit! We are regularly adding new condensed clinical content, videos, and reference materials to enhance your practice!
- Unique to our reference section, you can take your own notes and store them on your dashboard, creating a customized practice reference for your clinical practice!

If you do not wish to keep your membership, you can opt out of the toolkit at any time. Simply log in and cancel BOTH your membership AND Subscription.
